

LINFIELD UNIVERSITY

CONNECTING LEARNING, LIFE AND COMMUNITY SINCE 1858

WHY CHOOSE LINFIELD FOR YOUR BACHELOR'S DEGREE?

A liberal arts education at Linfield will teach you how to think critically, solve problems creatively and communicate effectively. It's the kind of education that prepares you for life—and a lifetime of success.

Built on a foundation of the arts and sciences, all students receive a personalized, comprehensive and rich academic experience. Within our School of Business, School of Nursing and College of Arts and Sciences, Linfield offers a wide variety of academic programs letting you choose a course of study that's perfectly tailored to your interests and goals.

One of the biggest benefits of a Linfield education is the opportunity to conduct research one-on-one with Linfield faculty. Linfield's student-faculty research projects have been published, presented nationally and internationally, and have won awards. Collaborative research will position you well for your graduate school or career aspirations.

Linfield University students have been especially successful in earning highly competitive scholarships and fellowships like the Kemper, Fulbright, Goldwater, Udall and many more.
