

## LECTURESHIPS, AWARDS, SYMPOSIA AND PROGRAM SUPPORT

### **The Juliette Barber Fund for French Language Studies**

Established to further the study of the French language at Linfield College. Income from the endowment is used at the discretion of the Chairman of the Department of Modern Languages for scholarship, faculty development, or other purposes which will enhance the study of the French language.

### **The Edward M. Bird Memorial Collaborative Research Fund**

This fund was established in 2001 by family and friends in memory of Dr. Edward M. Bird, Class of 1973. The fund provides support for student-faculty research in biology at Linfield College.

### **The Jane Claire Dirks-Edmunds Endowed Lectureship**

This fund honors Dr. Dirks-Edmunds, Class of 1937, who served as Professor of Biology at Linfield from 1941 to 1974. The fund was created by friends and former students of Dr. Dirks-Edmunds. Income from the endowment is used to support student-faculty collaborative research in ecology and bring speakers to campus to address critical ecological concerns.

### **The Walter P. Dyke Endowment**

Created by a gift from the M.J. Murdock Memorial Trust, the endowment honors the memory of Walter P. Dyke, Class of 1938, who became a professor at the college and founded the Linfield Research Institute, and who later became one of the Murdock Trust's original trustees. The endowment supports collaborative research between students and faculty in the sciences and provides opportunities for enrichment of the academic life of the college and the community through lectures in fields of scientific endeavor.

### **The Ken and Donna Ericksen Endowed English Department Fund**

This fund has been established to enrich the literary experience of the students of Linfield and the Linfield community. This shall be accomplished by bringing individuals to Linfield for the purpose of special lectures or seminars. Such individuals may be performers, writers, educators, or other individuals who are deemed to have the ability to contribute to the literary experience.

### **The Gordon G. Frazee Lectureship**

This lectureship fund was established by gifts from family and friends in honor of Dr. Frazee, who served the college for 32 years. The income is used to underwrite an annual lectureship under the auspices of the Religious Studies Department in the area of Old and New Testament Scriptures.

### **The Lois Gunning Fry Award Endowment**

This fund was established in loving memory by the family and friends of Lois Marie (Gunning) Fry, Class of 1941. It provides financial resources to recognize outstanding sophomore and/or junior students who are majors in the Department of Chemistry to carry out high quality research projects, present their results at professional meetings, and to publish results in professional journals.

### **The Graf-Edlefsen Memorial Lectureship**

Made possible by the estate of Dr. Samuel H. and Mrs. Samuel H. Graf, the income from this endowment is used to bring to the

campus outstanding lecturers in any of the fields of endeavor of Linfield College.

### **The Samuel H. Graf Faculty Achievement Award**

This endowed award is given annually to a faculty member who has accomplished during a particular year some outstanding performance, beyond his or her regular duties, that is worthy of special recognition, involving research, publication, or some other special academic or civic achievement. It is named for the late Samuel H. Graf, former member of the Board of Trustees and recipient of an honorary Doctor of Science in Engineering degree from Linfield in 1959.

### **The Edith Green Distinguished Professor Award**

This award is made annually to a Linfield faculty member who has demonstrated outstanding performance in teaching and related faculty roles. The professorship is held by the recipient for one year and is named for the late Edith Green, former Oregon Congresswoman and Linfield Trustee.

### **The Edith Green Memorial Lectureship**

Established by friends and family of Congresswoman Edith Green, the interest from this fund brings to Oregon a distinguished lecturer in one of Mrs. Green's special areas of interest – government or education.

### **The Thomas and Emily Hardie Award**

This award was established by Donald (Class of 1937) and Kathleen MacInnes to honor Thomas and Emily Hardie, who ministered with love, compassion, and integrity to the Congregation of United Methodist Church McMinnville 1930-35 and to the student body of Linfield College. Candidates for this award should have demonstrated a willingness to be challenged by injustice, apathy and ignorance; a concern that justice and fairness should be truly functional in our world; and the courage required to support these credos. The award is made annually to a Linfield student except that every fourth year the award goes to a member of the college community or a resident of McMinnville. Selection of the recipient is made by the college officers.

### **The John B. Housley Memorial International Study Fund**

Established by family and friends of John B. Housley, who served as Vice President for Academic Affairs and Professor of Humanities from 1976-1983, this endowment is used to strengthen international awareness at Linfield College through the support of faculty and administrative research and study.

### **The J.A. "Steine" Jonasson Lectureship Fund**

Created by friends, alumni, former students and colleagues of Dr. Jonasson, Class of 1926, to honor his 72 years of service to Linfield College as a student, administrator, faculty member, and emeritus faculty member, this fund brings distinguished historians to the campus.

### **The W. M. Keck Foundation Endowed Educational Fund**

This is a major component of the President's Discretionary Fund. Established with a special grant from the Foundation in 1989, it is designated for the enrichment of educational programs at Linfield College.

**Allen and Pat Kelley Faculty Scholarship Award Fund**

Allen and Pat Kelley, both Class of 1959, established this endowed fund to provide recognition of scholarly activity conducted by faculty at Linfield College. The fund provides a yearly cash prize to a Linfield faculty member engaged in significant scholarly research who has received concrete evidence of editorial interest likely to lead to publication with an academic press or professional journal. In addition to the cash prize, the award is accompanied by a reduction in teaching load so that the faculty member can focus on the work necessary to move the research toward publication.

**The Hildegard Z. Kurz Modern Languages Endowed Fund**

Established in 2004 from the estate of Hildegard Z. Kurz, professor (from 1963 to 1980) emerita of German, for the purpose of strengthening the Modern Languages Department at Linfield. Income from the endowment is used at the discretion of the Chair of the Department of Modern Languages for books, instructional materials, tapes, salary for adjunct professors, or other general needs of the Department.

**The Hildegard Z. Kurz Endowed Library Fund**

Established in 2004 from the estate of Hildegard Z. Kurz, professor (from 1963 to 1980) emerita of German, for the purpose of enhancing the Linfield College Library. Income from the endowment is used at the discretion of the Library staff for books, instructional materials, tapes, or other general needs of the Library.

**The Frank S. Larsell Memorial Lectureship**

This fund has been established to bring to the campus a lecturer who has achieved recognition for scholarship in his or her field to present the results of those studies to faculty, students, and townspeople.

**The Music Performance Endowment Fund**

Established in 2006 in conjunction with the opening of the Vivian A. Bull Music Center, the income generated from this fund is used by the Music Department for visiting artists and performers, tours by Linfield ensembles and the Linfield Chamber Orchestra.

**The Oregon Nobel Laureate Symposium**

The Oregon Nobel Laureate Symposium was established at Linfield in 1985 as the result of gifts from friends of the college. It is one of five Nobel symposia recognized by the Nobel Foundation in Stockholm, Sweden; the others are at Gustavus Adolphus College in Minnesota, San Remo in Italy, Lindau in Germany, and at the Museum of Science and Industry in Chicago. The purpose of the Symposium is to bring together Nobel Laureates for lectures and conversations designed to advance learning and improve the quality of life in the Pacific Northwest, and by extension, the world at large. In the spirit of Alfred Nobel's goal to push back the frontiers of human knowledge for the benefit of the world community, the Symposium will engage Nobel laureates from various disciplines in the pursuit of solutions to some of the most pressing intellectual, social, ethical, and scientific questions of our times.

**The Walter Powell-Linfield College Philosophy Lectureship**

An endowed lectureship fund created by Linfield alumni and friends brings distinguished philosophers to campus twice each year to discuss important contemporary philosophical issues.

**The President's Discretionary Fund**

This permanent fund, established with a challenge grant from the William and Flora Hewlett Foundation and the generous support of other foundations, corporations and individuals, strengthens teaching and learning at Linfield. Proceeds from the fund support special projects which enhance student and faculty learning/teaching activities.

**The Science Division Alumni Endowed Research Scholarship Fund**

An endowed scholarship fund created by Linfield alumni and friends supports students engaged in scientific research. The scholarship is awarded annually on the basis of academic merit and demonstrated interest in research. Scholarships are not limited to the academic calendar and may be used for summer research projects.

**The Senior Science Prize**

The Senior Science Prize was established to encourage students in the natural sciences and mathematics to plan for graduate study and eventual careers in the field of pure and applied science and mathematics. The prize is awarded to students scoring at the 90th percentile in chemistry or physics, or at the 95th percentile in biology.

**The Endowed Ray and Marion Vester Lectureship**

Through this special program outstanding American thinkers are brought to the campus for public lectures and discussions in the area of business and public affairs.

**The Walter Irving Young History Award**

Mr. Young established this award as a statement of appreciation for the help and encouragement that he received as a history major at Linfield. The income from the endowed fund is to be granted regularly to the graduating history major who has shown the greatest interest in, and aptitude for, the subject of history during his or her undergraduate period.
