The "College Cost Worksheet" includes the estimated amount of federal student aid you may receive. But federal student aid is only one source of college funding. The "College Cost Worksheet" lets you enter amounts of other student aid and savings that can go towards your college education. You can also provide the costs of a college you are interested in attending. Click **Calculate** when you're done and we'll tell you if you have enough funds to cover your college costs.

Enter the name of the college you plan to attend. (optional)

Note: FAFSA4caster provides an estimate of federal aid for one academic year. It is based on the information you entered and certain assumptions like full-time attendance.

FAFSA4caster is not the actual application and is offered to help you understand how you can pay for college. If you are attending college soon and want to receive federal student aid you must complete the [FAFSA](https://www.fafsa.gov) and you must reapply each year.
