The Student Group Outstanding Service Award was established to recognize and honor a student group that has demonstrated a commitment to engaging in meaningful community service and community outreach projects or programs with a measurable impact beyond campus. All student groups are encouraged to apply including residence halls, honor societies, athletic teams, student clubs, and greek life organizations that have engaged in activities including but not limited to: volunteering, community service, community outreach or engagement, philanthropic endeavors (fundraising drives, donation drives, charitable contributions), and projects that promote social or environmental change.

**Award:** A $50 contribution to your non-profit organization of choice will be made in the name of your student group or organization.

**Instructions:**
To be considered for the award, student groups must completely & accurately fill out the attached Community Service Tracking form and submit a brief response to the prompt listed below. Student groups can write up a narrative description of more than one exemplary project. Completed applications can be submitted to Riley 216 or via email to alpowell@linfield.edu

Deadline for applications: Monday, May 14, 2011, 5:00PM

**Exemplary Project Prompt:**
Describe your organization’s most meaningful or successful community service or community outreach project this year. Please include: name of the project, purpose of the project, the population or organization that benefitted from the service, community and/or campus organization(s) you collaborated and partnered with, number of volunteers mobilized, number of hours served, other measurable community or environmental impacts, etc. Please attach additional pages as needed.
