# LINFIELD COLLEGE

McMinnville, Oregon

900 S.E. Baker Street, McMinnville, OR 97128-6894  
503-883-2200 • [www.linfield.edu](http://www.linfield.edu)

Dear Linfield Parents,

Welcome to the Linfield family. We're glad that your son or daughter will be attending Linfield College. We are now partners with you in providing the best environment we can in which to ensure the continuing positive development of your college student.

This parents' guide is designed to assist you by answering some of the questions which may arise during the year. It also identifies where and how you can get more information about what your college student will be experiencing. Please feel free to call any of us at any time if you feel we can be of assistance.

I remember sending my two daughters off to college hoping that someone there would think of them as special. As parents, we always thought they were. Even though I had spent most of my adult life on a college campus, we frequently had questions about expectations, procedures and happenings. Hence, this guide.

Linfield has a great tradition. You'll find the campuses to be excellent educational facilities with dedicated faculty and student-oriented staffs. Clearly, though, our most important resource at Linfield is our students. We look forward to serving the Linfield student in your family and we hope the experience your student has here is a rewarding one.

Sincerely,

Dave Hansen  
Dean of Student Services

## Getting to Linfield

The McMinnville Campus of Linfield College is located on Highway 99 West, approximately 37 miles southwest of Portland in the heart of the Willamette Valley. If you require transportation from the Portland airport to Linfield, commercial van service is available from White Van Shuttle, (503) 774-9755; Island Coach, (888) 968-4083; VIP Airporter, (888) 743-3847; or Caravan Airport Transportation, (888) 743-3847 by appointment only.

## Getting Back Home

At Orientation Weekend and the beginning and end of each semester the student government (ASLC) provides occasional transportation between the airport and campus. Individual students should check the shuttle schedule ([http://www.linfield.edu/file\\_uploads/ASL-airport-shuttle-07-08.pdf](http://www.linfield.edu/file_uploads/ASL-airport-shuttle-07-08.pdf)) and then contact Dan Ferguson, Director of College Activities, [dfergue@linfield.edu](mailto:dfergue@linfield.edu) or 503-883-2435 to reserve a seat on the shuttle.

# Moving in for New Students

First, new students need to check in at the Fred Meyer Lounge in the Riley Campus Center. After check-in, students will go to their Residence Hall and meet their Resident Advisor. Residences will be open for new students to move in on Friday, August 28 from 1:00 to 5:00 p.m. and on Saturday, August 29 from 8:30 a.m. to 11:30 a.m. Saturday afternoon will be busy, so you will want to finish before all the activities begin. Lunch on Saturday is served in Dillin Hall beginning at 10:45 a.m. and Linfield's President officially welcomes you at 12:30 p.m. in Wilson Gym.

## The Cat-Net

Linfield residence halls on campus have telephone lines installed so that all rooms have phone and voice mail service. In addition, computer line access to the internet is available for each student. Lines will be active when students arrive and information about how to hook up is available during Orientation. Students must provide their own phone and/or computer hardware. For more information go to [www.linfield.edu/support](http://www.linfield.edu/support).

## Parking

For moving-in purposes you'll want to park as close as you can to your student's hall. Volunteers from the Linfield College fraternities and sororities will help you move your student's belongings into their room. Once moved in, it would be very helpful if you would move your car so that others can move in easily.

## Electrical Hook-ups

Extension cords may come in handy for some items. Please only use approved heavy duty power strips and be careful not to overload circuits.

## Shopping

Students will have time later in the week to buy last minute items. If you decide to shop on Orientation Saturday, it is best done before noon – the afternoon schedule is busy.

## Shipping Items to Your Student

If you ship trunks and boxes, they should be addressed to the student in care of Linfield College, 190 SW Brumback, McMinnville, OR 97128, not to the student's residence hall. Please label multiple boxes separately as "Box 1 of 3, Box 2 of 3, etc." Shipped materials may be picked up by the addressee at Mail Services at Withnell Commons. They will need to show their student ID. Once the student has moved into their residence all packages should be addressed directly to them at their unit number.

# McMinnville Area Restaurants

Students really appreciate the opportunity to get away from campus for a meal. Here is a list of places to eat in the local community. For some restaurants (and some weekends such as Homecoming and Fall Family Weekend) reservations are recommended. For more information on McMinnville, contact the Chamber of Commerce at 503-472-6196 or at [www.mcminnville.org](http://www.mcminnville.org).

# Costs to Attend Linfield

## Schedule of Fees 2009-2010

	Per Semester	January Term
Health Insurance	\$360.00	
Associated Student Body Fee	\$103.00	\$25.00
Undergraduate Tuition, 10-18 hours	\$14,380.00	\$170.00 per hour
Student Meal Plan (Standard Plan)	\$1,855.00	\$435.00
Double Room (Standard)	\$2,240.00	\$415.00
Technology Fee	\$34.00	
• Personal Expenses*	\$100.00 per month	
• Books and Supplies	\$650.00 per year	

*\*Personal expenses, books and supplies vary from student to student. These amounts are provided for budgeting purposes only.*

## Financial Aid

Financial aid is applied directly to College charges for tuition, fees, and room and board (if appropriate). All required forms and application materials must be turned in to the Office of Financial Aid to allow funds to be released to the student's account. Students are encouraged to check with the Office of Financial Aid if there is any question about whether all documents are on file. If financial difficulty is experienced at any time during your daughter's or son's college career, the Office of Financial Aid can assist them in exploring all available options. The office is located in Melrose Hall, Room 109, and at 503-883-2225.

## Employment Opportunities

Students who receive Federal Work Study or Campus Employment as part of their offer of assistance will find jobs posted on the college's website. All campus jobs require that Federal Work Study or Campus Employment be listed as financial aid, and students desiring to work must also complete all employment-related paperwork, including providing proof of eligibility to work in the United States (I-9), prior to working. Some local employers list off-campus jobs with the Office of Career Services in Walker Hall.

# Settling Your Account

Payments of all fees for Fall academic term, less any financial aid, are due prior to or on August 5, 2009. Payments are to be made by mail or to the cashier located in Melrose 105. All checks should be made payable to LINFIELD COLLEGE, and registration is not complete until fees are paid for an academic term. Statements for pre-registered students will be sent 45 days prior to the beginning of the academic term.

## **Options for paying College Fees:**

- Cash or check by due date prior to each semester.
- Academic Management Services (AMS) payment plan options.

Information on the AMS program was mailed to all students. Additional copies are available in the Business Office, Melrose 105, (503) 883-2455.

Students must complete their financial arrangements with the Business Office prior to being cleared for registration and being issued an identification card.

To complete this "clearing," students must also (if they have not already)

- provide the Student Services Office with the Certificate of Immunization
- provide the Registrar's Office with a final high school transcript
- provide the Office of Financial Aid with documentation required for disbursement of financial aid.

# About Linfield's Alcohol Policy

Linfield's alcohol policy, like Oregon State Law, prohibits the consumption of alcohol by anyone under 21 years of age. Alcohol is not permitted at all in public areas on the campus. While disciplinary action may follow violations of the alcohol policy, the college is anxious to assist those who have (or have potential for) a drinking problem. Counseling help can be obtained in the Counseling Office located in Walker Hall, Room 124.

## Damage Billing

In the event your student's residence hall receives anonymous damage, we want you to know about Linfield's damage policy. We have found this policy contributes to students' awareness and responsibility for their surroundings.

*"The College cannot afford to assume responsibility for damage caused by students. Damage in your room is your responsibility. Damage in corridors, stairwells, bathrooms, lounges, and other public areas is the responsibility of the individual, floor, or entire hall as circumstances dictate. If the person responsible for damage cannot be identified, the charges will be assessed to the lowest possible denominator of students who should be held responsible. Experience has proven this to be the best means of seeing that charges are directed to the most responsible individuals. For example, if damage occurs on a floor and the person responsible is not identified, the entire floor is assessed the cost of repair. By the same token, if persons responsible for damage to public areas of residence halls cannot be identified, the cost of repairs will be divided among all residents living in the hall."*

If students know who has vandalized property, it is important for them to contact their resident advisor or other college official. Linfield is a small community and damages are a community responsibility.

In short, we will bill the individual(s) responsible when we can, but when they cannot be identified we will bill the residents residing in the damaged area. We believe this assists students in building responsible relationships in their residence and their Linfield community.

# Greek Life

Linfield has four sororities and four fraternities. The sororities do not have houses, but rather, meeting rooms in the basement of Miller Hall. The fraternities each have houses near campus. There will be a “New Member Recruitment Week” in mid-September for students interested in finding out more about Linfield’s sororities and fraternities. One can participate in New Member Recruitment without choosing to join. For students choosing to join a fraternity or sorority, there is usually a fee for initiation and dues which they will need to pay sometime during fall semester. After fall semester, fraternity or sorority charges may appear on the student’s account. These charges are applied to the account only after the student has signed a billing slip authorizing the charge to be made. This charge is typically for dues, local fees, and, in the case of fraternities, housing charges. Men joining fraternities may move to the fraternity house after one full semester in College housing. These housing charges will be added to the student account.

Any questions about the sororities or fraternities should be addressed to Carl Swanson, the Greek Advisor working with the Greek Letter Organizations. You may reach Carl at 503-883-2414. You may also find out more information on the internet at [linfield.edu/greek](http://linfield.edu/greek).

# Common Questions

## **Must a student be in campus housing?**

Linfield’s mission with regard to housing is to create living/learning communities which provide challenging opportunities for the development of the whole person. The college expects students to understand and respect community standards and values. The college envisions a safe environment which honors and appreciates the similarities and differences of those living in campus housing.

Linfield is a residential college and has a residency requirement for its students. We believe the greatest student development occurs for those students involved in campus life and in frequent contact with others on campus. In general, students must be in campus housing unless they live at home, until they are seniors, are 21 years old, or are married. Financial exemptions are rare and are possible only upon meeting pre-established financial need criteria.

### **Must a student be on the meal plan?**

If a student is in the residence halls, the student must be on the meal plan.

### **What if a student has a special diet or health concern related to diet?**

Our food service provider, Sodexo, is obligated by contract to meet the dietary needs of our students. Sodexo frequently serves many students for whom special care and provisions are needed. Students should speak to the Food Services Manager, Bill Masallo, ext. 2266.

### **How will I know if our student is having difficulty?**

This requires good communication between you and your student. If your student is over 18, by federal law, the college cannot inform you without his or her permission about academic performance, disciplinary matters, or his or her general progress. By law, institutions may not disclose information about students, even to parents, without written permission from the student.

### **What if my student has a problem?**

We would like to know about that, of course. While we would welcome calls from parents at any time, we highly recommend that you encourage your student to speak with the appropriate office first regarding his or her concern. This is an important part of the student development process.

### **How is my student's academic schedule developed?**

New students will meet with their faculty academic advisor and their peer advisor during the Orientation period. Both new and continuing students should discuss their academic plans with their faculty advisor, who must sign their registration cards. Good academic schedules contain required courses, courses in a potential major, and elective courses.

# Directions to McMinnville

## **From Portland**

---

Take I-5 to the Tualatin/Sherwood Exit (289). Turn right onto the Tualatin/Sherwood Road.

Proceed through the community of Tualatin until you reach Sherwood (ten minutes). In Sherwood, immediately past the Albertson's shopping complex, take a left onto Hwy 99W. Continue through the communities of Newberg and Dundee (15-20 minutes). A few miles south of Dundee you will take a left onto Hwy 18. Follow this highway until you pass Willamette Valley Medical Center on your left (ten minutes). Take the McMinnville Exit. Stay on this road (which turns into 3rd Street) until you reach North Adams (you will come to a T in the road). Turn left onto North Adams and continue until you see Linfield on your left (about a half-mile). Go past the main entrance to campus and then take a left onto Linfield Avenue. There you will find street parking and three parking lots that are within walking distance to the Check-In and Welcome Fair in Riley Campus Center.

## **From Portland International Airport**

---

Take I-205 south to the I-5 Northbound interchange (24 miles). Heading north on I-5, stay in the right-hand lane. Take the Tualatin-Sherwood exit (289). Go left at the light onto the Tualatin/Sherwood Road. Continue with directions above starting with the word "proceed."

## **From Eugene via I-5**

---

Exit I-5 at Hwy 34 and go west to Corvallis. Turn right onto Hwy 99W and go north to McMinnville, just over an hour's drive. Linfield is on the right at the third traffic light in town.

## **Are you planning to travel on Friday, August 28th?**

---

Because it's a summer weekend, traffic from Portland may be quite heavy. Leave yourself plenty of extra time! You'll need time for your student to check in and get their student ID when you get to campus before they can move into their dorm. (Check-in ends at 5:00 p.m.)

# Ten Tips for Parenting a College Student

1. Have a chat now with your student. Have him or her articulate why he or she wants to go to college. Have them talk about why they chose Linfield. Later, should difficulties arise, these discussions can be recounted.
2. Ask your student to make some decisions now, before they arrive on campus, about how he or she will deal with alcohol, sexual relations, and freedom of time. Too often, students have not given this sufficient forethought to these items – and so make regrettable, on-the-spot decisions.
3. Keep in communication with your student, but resist the urge for constant contact. Let them lead in making connections. Remember you may be able to read the *Linfield Review*, the college newspaper on-line, and can then ask your student about their involvement in campus life and available opportunities.
4. Let your student take the lead in choosing a major, course of study, and individual courses. Remember that electives and general education are important elements in the college curriculum. Do not over emphasize career-related study.
5. The best collegiate experiences strike a balance between academic learning and experiential opportunities. Praise your student for seeking and finding co-curricular activities that enhance their college experience.
6. There is a high probability your student will encounter some difficulty. It may be homesickness, a roommate issue, a registration problem . . . whatever. Listen intently, be supportive, but encourage them to try to solve the problem on their own before you intervene.
7. Linfield College has a wonderful array of resources. Encourage your student to use them. These include a health center, exercise room, counseling staff, residence life staff, learning support personnel, and academic advisors.
8. Do visit, but not too often, and do not promote frequent visits home. Weekends are a good time for your student to discover opportunities at the school, to bond with others, and even to study.
9. When you do visit, take your student (and a friend or two) out to dinner. If you can't visit, upon occasion, send small "care" packages.
10. Relax. Enjoy the experience. From time to time, it can even be fun.

# Helping Parents Stay Connected

## **Linfield Family e-newsletter**

*Linfield Family* is sent quarterly and includes valuable information about campus events, student and faculty achievements, and important dates and deadlines, as well as interactive parent surveys. To receive *Linfield Family*, send an email to [parents@linfield.edu](mailto:parents@linfield.edu)

## **Parent resource line**

We are happy to assist parents as questions arise and will work with you to support your student's development. If you or your student has a question, and you're not sure who to contact at Linfield, please call 503-883-LPRL (5775).

## **Parents email account**

Have a question? Need an answer? Send an email to this address created specifically for you: [parents@linfield.edu](mailto:parents@linfield.edu)

## **Parents website**

Cited by Linfield parents as their most frequently used communication tool, the Linfield website contains a wealth of information. Don't miss the FAQs at [www.linfield.edu/parents](http://www.linfield.edu/parents)

## **The Parents Council**

The Parents Council partners with key college staff to support your student's "Linfield experience" by providing advice and assistance with a number of activities, including: parent-focused communications and events, student recruiting, student and alumni career mentoring, and fundraising for parent-defined projects. The Parents Council is led by the Parent Leadership Team. To get involved, email Jodi Kilcup, Assistant Vice President for College Relations, at [jkilcup@lifniel.edu](mailto:jkilcup@lifniel.edu).
