American Heart Association Course Registration Instructions

To register for official American Heart Association (AHA) Advanced Cardiac Life Support (ACLS), Pediatric Advanced Life Support (PALS), or Basic Life Support for Healthcare Providers CPR (BLS) courses, and receive a discount, use the on-line registration:

www.chealthcare.com/linfield

TO REGISTER YOU NEED:
1. Personal contact information including email address.
2. There are no coupon codes for these courses, simply click "I do not have a coupon".
3. You will receive a confirmation email and receipt in a second email after registration is complete.

Students who register for Classroom BLS courses or On-line skills sessions via the web-portal will receive a discounted rate. The On-line skills check requires the student to first purchase and complete the BLS online part 1 from the American Heart Association by going to onlineaha.org.
