

TRANSFER GUIDE 2008 - 2009

Central Oregon Community College

Working and going to school? Transfer to Linfield College and finish a bachelor's degree. Linfield will accept 108 quarter credits of community college coursework with grades of C or better. This equals 72 semester credits of the 125 you need for graduation.

Majors in Management, Accounting, Nursing (for RN's) and Social and Behavioral Science can be completed online. Additional majors are Arts & Humanities, Business Information Systems and International Business. Almost all requirements for these majors can be completed online. Face-to-face classes are held on the Linfield campuses in Portland and McMinnville and occasionally in other locations.

If you complete either an Associate of Arts Oregon Transfer (**AAOT**) or an Associate of Science Oregon Transfer in Business (**ASOTB**) Degree, you will need to take no more than two additional courses to complete the Linfield Curriculum (general education) requirements.
