

TRANSFER GUIDE 2008 - 2009

Portland Community College

Working and going to school? Transfer to Linfield College and finish a bachelor's degree. Linfield will accept 108 quarter credits of community college coursework with grades of C or better. This equals 72 semester credits of the 125 cumulative semester credits that you need to graduate from Linfield College.

Majors in Accounting, Management, Nursing (for RN's) and Social and Behavioral Science can be completed online. Additional majors are Arts & Humanities, Business Information Systems and International Business. Almost all requirements for these majors can be completed online. Face-to-face evening and weekend classes are held on the Linfield campuses in Portland and McMinnville and occasionally in other locations.

If you complete an Associate of Arts Oregon Transfer (**AAOT**) Degree, you will need to take no more than three additional courses to complete the Linfield Curriculum (general education) requirements.

If you want to find out how your credits transfer toward a Linfield bachelor's degree, email or fax a copy of your unofficial transcript to the Adult Degree Program. Be sure to include your name and address and the major you are considering.
