

MISSING ASSET INFORMATION ON 2011/12 FAFSA

Student Name _____

Student ID # _____

It has come to our attention that there was an error in the FAFSA that allowed parents to skip over the asset questions. Unfortunately, if this section is left blank it creates a reject that makes it impossible for us to continue processing your student's request for financial aid. In order that we may resolve this reject please complete the asset questions listed below. **The information you provide should be as of the date the original FAFSA was filed for 2011.** If you had no assets as of this date enter a zero.

| ASSET | STUDENT | PARENTS |
|---|---------|---------|

| What was the net worth of your investments? Do not include the value of the home you currently live in or qualified retirement accounts (i.e. 401K). | | |

Both the student and the parent who signed the FAFSA should sign this form.
