ONLINE LEARNING AT LINFIELD

- Online courses are perfect for students with schedules that demand flexibility.
- Online classes will require you to post assignments by a certain time each week. You can do most of the work on your own schedule.
- You will have separate links for submitting homework, group discussion, and personal communication with your instructor, and tests are done online.
- With Internet access you can work from anywhere in the world. This is an ideal program for those who travel.
- Expect to spend the same amount of time in an online class as you would in a face-to-face class, and expect to adhere to similar homework deadlines.
