Parking Information

Linfield student parking is free. No sticker is needed. Park on evenings and weekends in:

- The Loveridge Hall parking lot (right next to Loveridge and Peterson), is available for DCE students after 5 PM and on weekends (it is reserved for staff between 7 AM and 5 PM M-F).
- Parking Structure #3. The primary entrance is on Marshall between NW 21st and NW 22nd. Park in patient/visitor spaces.
- Accessible parking (disabled parking) is available in the Loveridge Parking lot, entrance on NW 22nd Ave at corner of NW Overton St.

Hybrid Courses

Linfield Adult Degree Program supports students' learning by offering Hybrid Courses (HY). This method of offering courses allows for a combination of the best of both worlds for adult learning with the flexibility of online instruction and face-to-face interaction with a professor.

Disability Services

Access is from the parking lot on the north side of Loveridge Hall. Follow the ramp into the building, take the elevator down one floor, turn right out of the elevator, then turn left. Proceed through the door to Peterson Hall. If you need assistance with this access, please call the Portland Center at 503-413-7166.

Earn a Certificate while you complete degree requirements. Expertise in Human Resource Management, Marketing or Computer Information Systems can enhance your career opportunities. You may use one course to meet both major and certificate requirements. Call your advisor for more information or check the website.

Linfield Computer Account (CatNet)

A Linfield computer account (CatNet) gives you:

- A Linfield email address (username@linfield.edu) available on the web at WEBMAIL or that you can forward to your personal account by going to SET UP EMAIL FORWARD. Linfield will use this account only to send important school wide messages, so please log in often.
- Access to grades, schedules and transcript on Webadvisor. Access to a full range of library resources. Access to the computer labs on McMinnville and Portland campuses, as well as the printers in the Nicholson library.

You must set up a CatNet account to be able to access Online Courses. Online courses use the same credentials as the Linfield CatNet accounts—the user name (CatNet ID) and password are the same. More information can be found at http://www.linfield.edu/dce/computer-accounts.html.
