

ANTH 326 Archaeological Field Methods

Join Dr. Cameron Smith in research at sites near McMinnville, Oregon. This intensive, four-week class will focus on the methods of finding and documenting precontact and historic archaeological sites. This is pure archaeological exploration!

Students will learn: use of GPS in field survey • documenting archaeological sites • documenting artifacts • site survey techniques • screening techniques • augering techniques • shovel-testing techniques • soil classification and description • artifact and site illustration and sketch-mapping • field analysis of common artifact types • report-writing skills. 5 credits.

ENVS 302 Shoreline Ecology

Dr. Ned Knight will introduce you to different types of coastal environments and to some of the organisms found in each. One weekend on campus, five days in Newport. Lodging and meals are not included in trip fee. 3 credits. *NW*

ENVS 302 Human Ecosystems

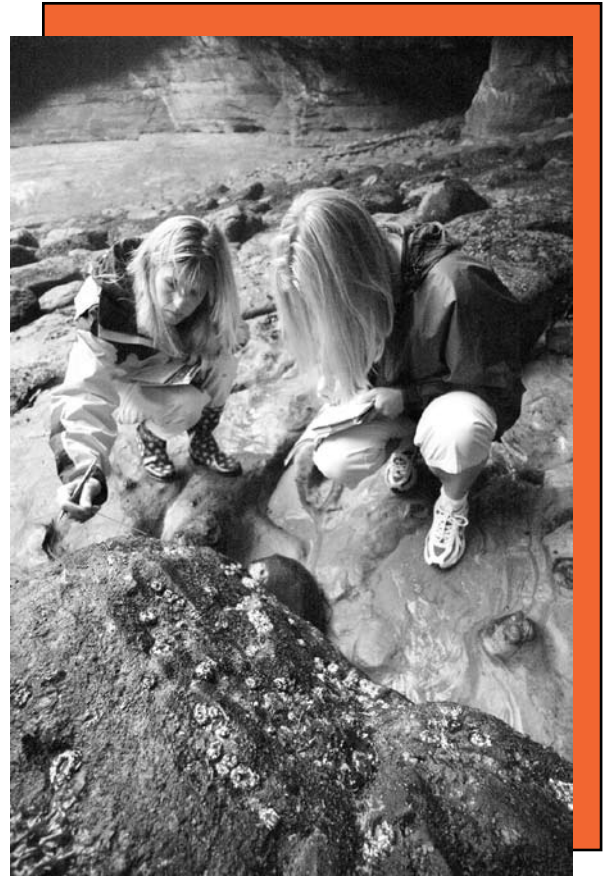

Dr. Ned Knight will provide an introduction to the natural history of different environments along the Oregon coast, using the area around Astoria as a laboratory. Lodging and meals are not included in trip fee. 3 credits. *NW*

HHPA o88 Backpacking

Weekend backpack in the Oregon Cascades. Trip fee includes travel, food and permits. 2 credits.

ENVS 300 Fire History of the Cascades

Dr. Peter Schoonmaker is the instructor of this course. Study the science and politics guiding national fire policy using as a case study the 92,000 acre B&B Complex Fire that burned in the Deschutes and Willamette National Forests in the summer of 2003. Class time will be spent in field work and consultation with USFS staff. Accommodation will be at Monkey Face Ranch, overlooking the Crooked River and Smith Rock State Park. Students must be prepared for long strenuous days. 3 credits. *NW*

Registered Nurses with an Associate Degree in Nursing:

As an RN with an unencumbered license, prior success in college courses where you have maintained a 2.75 or higher grade point average, and a letter from your supervisor, it's easy for you to get started in the Online RN to BSN program at Linfield. Call toll free 800-452-4176 to get started or go online to www.linfield.edu/dce for application information.

RNs joining the Fall cohort are invited to the RN-BSN Orientation on the Portland Campus, 9/11 from 9am - 1pm. Attendance is not required but is encouraged. Please email your name and address to dce@linfield.edu if you plan to attend the Orientation, and the schedule with directions will be sent to you.
