

FIELD-BASED COURSES FOR SUMMER 2012

ANTH 326 Archaeological Field Methods

Join Dr. Cameron Smith in research at sites near McMinnville, Oregon. This intensive, four-week class will focus on the methods of finding and documenting precontact and historic archaeological sites. This is pure archaeological exploration!

Students will learn: use of GPS in field survey • documenting archaeological sites • documenting artifacts • site survey techniques • screening techniques • augering techniques • shovel-testing techniques • soil classification and description • artifact and site illustration and sketch-mapping • field analysis of common artifact types • report-writing skills. **NOTE EARLY CLASS DATE:** June 8 - July 8. Fee does not include any travel costs. Students are responsible for all expenses. 5 credits.

ENVS 302 Shoreline Ecology

Dr. Ned Knight will introduce you to different types of coastal environments and to some of the organisms found in each. One weekend on campus, June 23 - 24, five days in Newport, August 1 - 5. Lodging and meals are not included in trip fee. 3 credits. *NW*

ENVS 303 Human Ecosystems

Dr. Ned Knight will provide an introduction to the natural history of different environments along the Oregon coast, using the area around Astoria as a laboratory. One weekend on campus, June 16 - 17, five days in Astoria, July 11 - 15. Lodging and meals are not included in trip fee. 3 credits. *NW, IS*

ENVS 306 Fire History of the Cascades

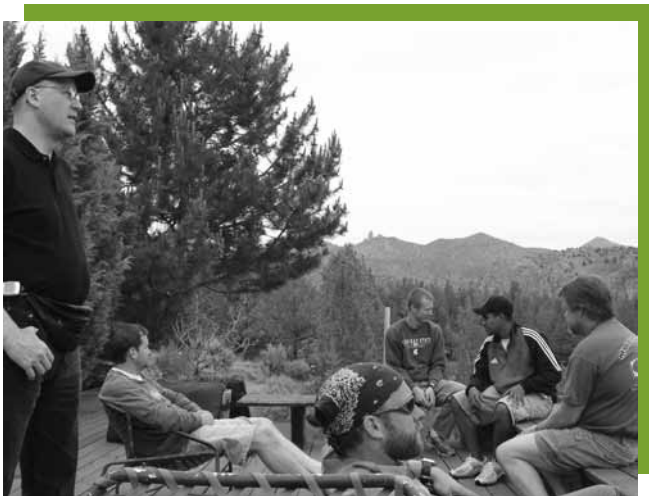

Dr. Peter Schoonmaker is the instructor of this course. Study the science and politics guiding national fire policy using as a case study the 92,000 acre B&B Complex Fire that burned in the Deschutes and Willamette National Forests in the summer of 2003. Class time will be spent in field work and consultation with USFS staff. Accommodation will be at Monkey Face Ranch, overlooking the Crooked River and Smith Rock State Park. Students must be prepared for long strenuous days. **WILL HAVE EARLY CLASS DATE.** Trip fee includes lodging and transportation. 3 credits. *NW*

HHPA 088 Backpacking

Weekend backpack in the Oregon Cascades. Trip fee includes travel, food and permits. 2 credits.

HHPA 308 Health Care in Kenya

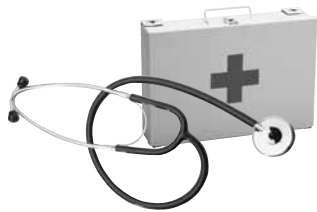

Off-campus service learning experience, led by Tara Lepp, Linfield instructor, focusing on health care outreach in rural areas of Eldoret, Kenya with an Open Arms International medical team. In addition to health promotion activities, students will gain cultural insights and understanding through collaboration with local partners, visit historical and cultural sites, and engage in integrative group discussions. June 23 - July 7, 2012. Trip costs \$1,500 plus airfare. 3 credits. (IS, GP) Spaces are limited! Early deadline: Jan. 1, 2012. Absolute deadline: Feb. 23, 2012. Contact Tara Lepp tlepp@linfield.edu for more information.

RN TO BSN PROGRAM

Registered Nurses with an Associate Degree in Nursing

RNs joining the Spring cohort are invited to the RN to BSN Orientation on the campus of Linfield-Good Samaritan School of Nursing in Portland, 2255 NW Northrup, Peterson Hall. Date and time: Friday, February 17, from 8:30AM - 1:00PM concluding with lunch following the orientation for students, faculty and advisors. An online orientation is available in BBLearn for RN-BSN cohort students who are unable to travel to campus due to weather or distance. Please RSVP for the February 17 orientation with your name to dce@linfield.edu. The schedule, hotel accommodations and directions will be sent to you.

Nursing 348 Gerontological Nursing (2 credits)

NURS 348 will be offered spring semester as an online nursing elective. The course is open to all RN-BSN students and to Portland campus students who have completed Nursing 103 and 106. The course will focus on the unique role of the registered nurse working to provide interdisciplinary and collaborative care and services to older adults in a variety of settings (community-based care, assisted living, nursing homes, and acute care). We will examine controversies (driving, caregiving, ethical issues, older adults in correctional facilities). And, of course, you will increase your knowledge, skills, and enthusiasm for working with older adults.
