

## WELCOME

John Gallagher

Associate Registrar, DCE

Greetings. My name is John Gallagher. I began this past spring semester as the Associate Registrar for Linfield College's Adult Degree Program. Prior to starting here, I was a full-time teacher and the Dean of Students at Ecce Veritas, a small private high school in Portland. Before that, I was the Graduation and Transcript Specialist in the Registrar's Office at Reed College. In addition, I have worked as an academic advisor and have taught composition and English as a second language. My entire adult life has, in various ways, been devoted to education, whether in the high school or the college environment, whether in teaching or in administration. It has always been my conviction that education is crucial to improving one's life, both at the practical level and at the personal and interpersonal level, and I feel that Linfield's Adult Degree Program does a tremendous job balancing the demands of a challenging work world with the time-honored value of a liberal arts education. It is my hope that with these experiences and my enthusiasm for education I can contribute my own energy, creativity, and skills to an already dynamic and dedicated faculty and staff.
