**Exams:**

There will be three exams given on the dates and covering the chapters as listed on the attached schedule. You will have the entire class period in which to complete each exam. You are expected to take each exam on the date scheduled, unless prior arrangements have been made. You can take an exam at the COCC Testing Center (COCC charges \$15 for this service). If you opt to take an exam at the testing center, you must complete the exam prior to the next regularly scheduled class meeting following the date of the exam. Exams will be multiple choice (conceptual and computational) and short exercises. A study guide for each exam will be provided the week prior to each exam.

**Other:**

Please bring your textbook and financial calculator to each class meeting.
