Minutes

President Harrell opened the meeting at 4:05 p.m.

A welcome gift from the LEA was given to Hellie at his arrival.

Guest Speaker, President Hellie, spoke to the membership and shared his goal to job shadow several LEA employees during the month of May and a few days during the summer. A list of positions he may want to shadow was given.

Harrell noted there were no new employees. There were 23 members in attendance.

No Treasurer's Report was submitted.

McCune spoke for the Compensation & Benefits Committee. She asked LEA to review the email from Carl Vance about next year's budget and to make suggestions. Harrell with the Budget Advisory Committee reiterated the request.

Sanderlin spoke on behalf of the Planning Council Committee. They are researching each department's needs for consideration and working towards accreditation. Their vision is of the campus and staffing for over-all goals. A LEA vacancy remains open on the committee.

The President's Report was tabled due to time restraints.

Fleming said the Safety Committee completed placement of the AED's on campus in: Melrose, Dillin, Library, Security vehicle, and the basement of HHPA. Training and awareness will begin soon. The alarm is very loud.

Terry was not present to give a Social Committee's Report.

Harrell reviewed the LEA Agreement concerning Holiday Pay and it was considered an unclear policy. The LEA Board and Human Resources are working on rewording the policy now.

Due to time constraints the New Reclassified Jobs discussion was tabled. Harrell will email the information to LEA.

Ragsdale spoke for the Parking Committee. They were suggesting posting "No Overnight Parking" by Walker/Riley. It seems more practical that only faculty and staff should park in that area.

Board Nominations were brought to the floor.

May's LEA membership meeting will be pizza fare and Board results will be announced.

Riley's Faculty/Staff Lounge is being reallocated to become the Student Union meeting room. Harrell will suggest to Vance that a room a room in Dillin renovations be assigned as the new Faculty/Staff Lounge. LEA does not want to be in competition with the Women's center, though the Lounge is being combined with them at this time.

The meeting adjourned at 5:55 p.m.
