Supplemental Information

Linfield remains committed to meeting the interests and abilities of women student athletes and providing opportunities for participation in intercollegiate athletics. During the 2005-2006 academic year, Linfield's intercollegiate women's sports teams served 212 participants, a number similar to last year, in spite of the fact that the lack of JV competition in the Northwest conference resulted in a drop in the number of women soccer participants. With student athlete participation on the search committee, Linfield hired a new women's soccer coach who will bring a wealth of experience and knowledge to the women's intercollegiate soccer program.
