The Linfield College Softball Program is conducting two instructional fastpitch clinics for girls age 8-18 on January 24 and February 7th. The clinical instruction will be provided by the coaches and players of the Linfield Wildcats, the 2007 NCAA Division III National Champions. The Linfield College softball program and the Wildcats coaching staff have compiled five consecutive Northwest Conference Championships and an overall record of 188-42-1 since 2004.

Each clinic will stress the skills and fundamentals that are necessary to be successful at any level of competition. The skills covered will include hitting, bunting, baserunning, and fundamental defensive play for infield and outfield. There will also be time for pitchers and catchers to learn from Wildcat pitching coach – Greg Herman and the Wildcats pitching staff. The February 7th clinic will also feature guest speaker, Dr. Will Keim, who will be speaking about success on and off the softball field. Dr. Keim has spoken to over two million people from two thousand collegiate and corporate campuses in every state in the United States.

DATE: January 24th or February 7th

TIME: 10:00 – 3:00 pm for campers ages 8-12 and from 10:00-4:00 for campers ages 13-18 with a one hour break for lunch (12:00-1:00). Lunch is NOT included with the clinic so please bring a sack lunch. If you are attending the January 24th you will have the option to bring money to purchase lunch in the Linfield College dining hall. The dining hall will be closed on February 7th so you must bring a lunch or have a parent/legal guardian escort you to lunch off the Linfield campus.

EQUIPMENT: Bring all your necessary softball equipment gloves, bats, batting helmets, workout appropriate clothes, etc. If you do not have a bat or batting helmet we will provide one for you. All campers should bring cleats and a sweatshirt in case the weather permits us to go outside for defensive drills.
