Oregon Certified Public Manager

AT A GLANCE

The Oregon Certified Public Manager® (OCPM) Program is a thorough and nationally recognized development initiative tailored for state and local government leaders, managers and supervisors.

Attaining the OCPM credential mandates participation and successful fulfillment of the Public Management Academy (PMA) and Leadership Academy (LA).

The Linfield University School of Business is the sole and official provider of the CPM certification program in Oregon.

» PUBLIC MANAGEMENT ACADEMY (PMA)

The Public Management Academy (PMA) offers a year-long, extensive program designed to enhance supervisory and management proficiencies while expanding the public sector toolkit. PMA consists of tailored workshops and includes an individual or group project.
