

OFFICE OF FINANCIAL AID

**2021-2022 Identity & Statement of Educational Purpose Verification  
To Be Signed With Notary**

Your 2021-2022 Free Application for Federal Student Aid (FAFSA®) was selected for the process of verification, which requires our office, per federal law, to compare your FAFSA® results with required acceptable documentation. Our office will request from you acceptable documentation, such as this Identity and Statement of Educational Purpose Verification form, to verify the accuracy of your completed FAFSA®. Our office may ask for additional documentation to resolve conflicting information. In our review, if there are differences our office will submit the corrections back into the federal processor and you will receive an updated FAFSA® reflecting the corrections. If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed.
