1 in 4 adults suffer from some form of depression in their lifetime.\(^1\)

The average person makes 5 decisions per minute. With over 1,000 minutes in one day, that means we make over 5,000 decisions each day.\(^2\)

It is estimated that more than 30% of Americans are taking care of someone who is sick, disabled or aged in their family.\(^2\)

Finding balance, overcoming stress and facing life’s challenges can sometimes be harder than we think. Your program’s there to help you through it all. We can help you make the most of your day and your life.
