## February 2026

### Family and Friendship

Wow! Our second month of the year is already here! How quickly time has gone! Our February classroom themes will include friendship, community and caring for others. One of our favorite activities includes a classroom "Post Office" for lots of imaginative play and fun!

Speaking of the Post Office, on Monday, February 9<sup>th</sup>, the MWF classes will be taking a walking field trip to the Linfield campus Post Office. Prior to this, we will be preparing a letter to mail home. Please bring in an envelope addressed to your child. (standard white 4 3/4 " by 11") We will have envelopes available at drop-off as well for families to fill out. Please do not put a stamp on the envelope. We will take care of that at school. Please have your child dress for the weather. Thanks!

To prepare for Valentine's Day, we will be decorating valentine bags at school to use as "mailbags" for our valentines. The children will have the opportunity to distribute valentines to their classmates, and of course followed by the excitement of opening them!. We ask that you send your child to school with a valentine for each of their classmates, (12)/M/W/F am, (15) M/W/F pm, and (17) T/Th am, (16) T/Th pm. There is no need to address each valentine to a specific child. Your child (or parent) can simply sign their own name. Hopefully, that will make the process of preparing valentines easier for you. Please place the Valentines in a bag marked with your child's name and send the bag of Valentines with your child on the 12<sup>th</sup> or 13<sup>th</sup>. They will take turns handing them out to their friends. Along with a Valentine's Day celebration, February 12<sup>th</sup> and 13<sup>th</sup> will be Pink and Black days, where the children are encouraged to wear pink and/or black.

Thank you to all of you who helped during Jan term! We enjoyed having so many parents and even grandparents in our classroom!
