Linfield Pre-Kindergarten Newsletter

May 2024

Wrapping up a great year!

Our school year has flown by! It has been so rewarding being a part of your child's development and education this year. Your preschooler has become so independent and grown by leaps and bounds. Our last few weeks will focus on summer and fun together, and will include an outdoor "camping" theme in our house/dramatic play area. They so enjoy this theme, and pretending to catch and eat fish! The children enjoy observing the metamorphosis of the caterpillars, and we have noticed lots of reenacting of the process as the children draw what they have learned. So fun to observe!

The MWF classes will be discussing the upcoming transition to kindergarten and new schools. We will display a graph showing where each child will attend next year as well as discuss some of the similarities and differences between preschool and kindergarten. It's an exciting transition in their lives, and we want to help ease any anxiety as well as help answer questions they may have.

We are looking for summer homes for our classroom pets. If you would be willing to help with this, please check out the sign-up sheet in the Family Area. You may also arrange to split the duties with another family if that works best.

Thank you for sharing your preschoolers with us! Enjoy your summer! We will look forward to seeing many of you again in the fall.

Happy Summer to all!

What To Bring

MWF AM: crackers, pretzels or low sugar cereal

MWF PM: crackers, pretzels or low sugar cereal

Tu/Th AM: Family size bottle 100% Juice

Tu/Th PM: 5oz disposable cups
