## September 2022

### Welcome!

We are looking forward to seeing familiar families as well as getting to know new ones as we begin this school year. Our emphasis for September will be on transitioning to our classroom and familiarizing the children with our schedule and expectations. The staggered start is designed to facilitate this...for both children and adults as well! We know that this is the first preschool experience for many of you and can be difficult for all as adjustments are made. We will do our best to help everyone get started on the right foot!

### We appreciate our volunteers!

We have many opportunities for family volunteers. Once the children are settled into their routines, we would love for you to volunteer in our classroom. Many parents & family members enjoy sharing a special talent or tradition with us. We also rely on family volunteers during "Jan Term" (when many of our college students are not on campus) to assist in our classroom. Note: All volunteers will need to complete a background check prior to working in the classroom.

We are looking forward to starting a fresh new year with you and your child! So much exciting learning and growing happens in our classroom and we are privileged to be a part of it! Remember to check the Parent Information bulletin board and parent area in our classroom frequently for updates on activities and needed supplies.

Happy Fall!

Angie and Brenda

### What To Bring

<u>MWF AM</u>	<u>MWF PM</u>	<u>T/TH AM</u>	<u>T/TH PM</u>

## Special Interest

Each month we will have a "color" day. We encourage you to dress your child in the specified color that day. September 29<sup>th</sup> and 30<sup>th</sup> are yellow days.

Show and Tell will be once a month starting in October for the MWF classes. Mrs. Flanders will provide details for each month's theme. In addition in October, the Letter of the Week will start. The weekly letter will be indicated at the beginning of each week on the monthly calendar. This is an opportunity to enhance literacy awareness by making a class poster. We ask families to work with their child to find a picture that starts with the letter of the week. Check the monthly calendar each week for the letter.

Save the date.....Pumpkin Patch Field Trip October 10<sup>th</sup> & 11<sup>th</sup> details to come.....
