LINFIELD CURRICULUM (LC) COURSE REQUEST

Use the table below to fill out which course you want to fulfill specific LC.

PLEASE NOTE

1. No more than 2 courses from a single Department may be used to fill Linfield Curriculum Requirements. These subjects are in the same department:
 - ANTH, SOCL, and SOAN • PHYS and ENGR
 - HHPA and HSCI • All GLXX (Languages)
 - For LC purposes, THTR and COMM are considered separately.
2. The Upper Division Mode of Inquiry (MOI) Requirement:
 - Must be 300-400 level.
 - Cannot be from your major department unless you are pursuing two majors (and then it cannot be applied to both majors).
 - Must fill one of the Modes of Inquiry (CS, IS, NW, QR, UQ or VP).
3. To optimize LC coverage, the Registrar's Office may rearrange your LC's to help you meet graduation requirements.
4. The Registrar Office **WILL NOT** move LC courses just to have LC courses match exemplars.
5. The courses "used" to fill LC requirements on your program evaluation can be different from those for which you submit exemplars. You must submit an exemplar from an appropriate course for each LC and cannot submit two exemplars for the same course, but the exemplar course and the program evaluation course do not have to match.
6. While it is best to submit exemplars by the end of the semester in which you took the LC course (as required), if you haven't done so, it is often best to submit the exemplar for the most recent appropriate course.
