Your guide to a:

**ZERO WASTE MOVE OUT**

Have useful stuff you don’t need anymore? Look for the Give N’ Go blue bins near your campus residence.

Larger reuseable items and miscellaneous recycling including, books, electronics, TV’s and monitors can be dropped off here.

Most items can be recycled. All cardboard, paper, metal, glass and some plastics can be recycled in the commingled and glass recycling.

This should be your last option. Strictly reserved for materials that cannot be recycled such as: Styrofoam, some plastics. Pretty much everything else can be donated, recycled or composted.
